Letter of approval for the translation of the ESPEN practical and partially revised guideline: Clinical nutrition in the intensive care unit

February, 1st 2024

Dear Professor Scarcella,

thank you very much for the translation of the "ESPEN practical and partially revised guideline: Clinical nutrition in the intensive care unit" into the Italian language. We appreciate very much the work you and your colleagues have done.

The translated version was checked by the ESPEN guideline office. The rules were followed adequately; thus, we officially approve the Italian version of the "ESPEN practical and partially revised guideline: Clinical nutrition in the intensive care unit".

With kind regards,

Stephan C. Bischoff
ESPEN guideline officer
